*Welcome to JPCBuilds,*

*JPCBuilds is a small computer manufacturing business. Our computers range from a single desktop PC, all the way to building your home entertainment PC that connects straight to your LCD/Plasma T.V & surround sound system, bringing you the very best in picture and sound quality for all your movies, music & gaming.*

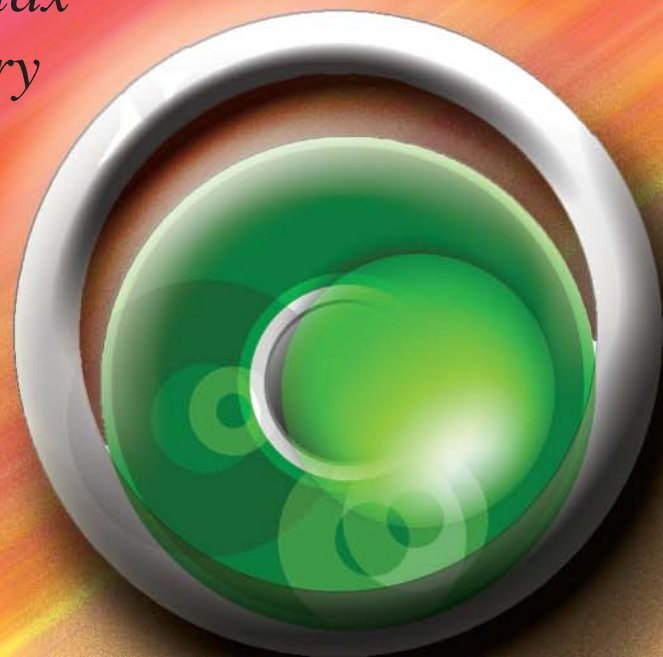

*We aim to please at JPCBuilds, this is why we offer bundled deals and best of all, packages called “your specs”. “Your specs” is a consultation meeting with you and myself, discussing exactly what computer would suit your day-to-day needs. With “Your specs” you have every option open to you and everything laid out in full. No confusion, no mess, we do everything for you.*

*All you need to do is sit back, relax and enjoy your new PC at its very best.*

*Thank you for taking time to read this article.*

*My sincerest appreciations go out to you.*
